Dear Mary,

This is in response to your email regarding Assembly Bill A3220, "requires individuals employed in the supply of central services to hospitals to be licensed and undergo continuing education." Thank you for taking the time to write and advise me of your views and concerns.

This bill was referred to the Higher Education Committee on January 9, 2008. As a multisponsor of this bill, should it come to the floor of the Assembly for a full vote, I will be voting in favor of it.

If either my staff or I can be of further assistance, please do not hesitate to contact us at 845-463-1635 or via email at millerj@assembly.state.ny.us.

Thank you again for writing.

Sincerely,

Joel M. Miller
