December 15, 2009

To: Our Valued Corporate Sponsors

The New York State CS Association has accomplished many goals this past year including the introduction of the CS Technician Legislative Bill A01014 and its companion bill in the Senate S3636. This bill and the possibility to have it pass into law will transform our profession and it will bring us into a new direction. Our website has been visited by more than 10,000 professionals in the field searching for the latest news about the licensing bill. Our "Sponsors" page was visited by our professionals more than 1,000 times per month searching for products.

We are asking our corporate partners to continue their support to NYSACSP by renewing or becoming a "**Linking Partner**." This advertising opportunity is yours by contributing \$100.00 for one year (less than \$9.00 a month!). Your website would be directly linked to ours and our site visitors can immediately be linked to your products through a "high resolution" graphic you can provide us to be placed on www.nycentralservice.org. You cannot beat this cost of advertising.

If you would like to become a "**NYSACSP Linking Partner**," please fill in the attached contract and send it to Wilma Lasher, our treasurer or register on-line at www.nycentralservice.org/sponsors. This year our "Linking Partners" contract will be effective from January 1, 2010 and will end in December 31, 2010.

Sincerely,

Steve Maley,
President, NYSACSP

**2010 Website Linking Partners Contract
January 1, 2010 to December 31, 2010**

My company would like to be a "Linking Partner" for the NY State Association of Central Service Professional Website.
